**THIS AGREEMENT** is made and entered into this 1<sup>st</sup> day of October, 2022 by and between Gratiot County Board of Commissioners, Clerk, Treasurer, Register of Deeds, Drain Commissioner and Prosecuting Attorney (hereinafter referred to as the "County") and the Gratiot County Governmental Employees Labor Council (hereinafter referred to as the "GELC").

For the purpose set forth, and in consideration of the mutual promises of the parties contained herein, the parties do hereby covenant and agree as follows:

1. INTENT AND PURPOSE

It is the intent and purpose of this Agreement to promote a friendly and economic relationship between the GELC and the County, and to set forth herein the rates of pay, hours of work and conditions of employment to be observed between the parties hereto.

2. GELC WILL COOPERATE

The GELC, therefore, agrees that it will cooperate with the County and support its efforts to improve the quality of workmanship; conserve supplies; and strengthen good will between the County, the GELC and the public.

3. COUNTY WILL COOPERATE

The County accepts the process of negotiation and will cooperate with the GELC to improve rates of pay, fringe benefits and working conditions of the employees within economic limits of good business management.

4. GOOD FAITH

It is the mutual desire of both the County and the GELC that at all times their respective representatives act in good faith to advance the best interest of the public, the County, all of its employees, and the GELC as the designated bargaining agency.

5. RECOGNITION

The County hereby recognizes the GELC as the sole and exclusive bargaining agent of all the employees current and future, paid by the County, non-management, serving in the positions in the following departments or offices:

Animal Control  
Building and Grounds  
Commission on Aging  
Equalization Department  
Office of Community Corrections  
Permits Office

Clerk's Office  
Drain Commission Office  
MSU Extension Department  
Parks & Recreation  
Prosecutors Office\*

Register of Deeds  
Treasurer's Office

Sheriff's Department\*\*  
\*excluding Assistant Prosecuting  
Attorneys  
\*\*unless covered by another contract

The effects of any creation of new or reorganization of existing departments shall be negotiated with the GELC with regards to GELC membership and classification level of the affected position(s); provided, however, that MERC shall resolve issues as to unit placement if not mutually agreed by the County and the GELC.

The County shall have the right to amend, supplement, or add to its County or departmental rules and regulations during the term of this Agreement, provided, however, the Department and/or the County shall notify the GELC of any such amendments, supplements or additions in advance of their effective date. All new rules or rule changes shall be given to the Unit President for the Unit's information and shall be posted for a five (5) day period prior to their effective date unless health reasons necessitate immediate implementation. If there is concern regarding the fairness of the rule or rule change, the GELC may request a special conference to discuss the reasonableness of the rule. In no case will a rule change or new rule become subject to the grievance procedure unless such rule change or new rule conflicts with the collective bargaining agreement.

In order to be taken out of the GELC, the member's job description must meet the qualifications listed below:

Positions requested by the County to be removed from the GELC must go before the Executive Board of the GELC to be negotiated and must be accompanied by the position's job description.

The position must exercise the day-to-day duties of the elected official or department head in their absence.

The position has the authority to exercise disciplinary action.

The position has the authority to issue reprimands for personnel files.

The position is deemed "confidential", i.e., a senior clerical position that is responsible for processing confidential management duties which involve labor-related issues.

If not mutually agreed by the County and the GELC, MERC shall resolve issues as to unit placement.

## 6. GELC SECURITY

The GELC's representation is limited to the employees in the bargaining unit and not to the work they perform. They are sometimes herein collectively referred to as "employees" or individually as the "employee".

Upon completion of thirty (30) calendar days of employment, membership in the GELC or compliance with payment of dues shall be voluntary. If an employee voluntarily submits a dues deduction form, the County agrees to deduct GELC dues to become effective the first payday of the month following the Employee's successful completion thirty (30) calendar days of employment.

This section shall be reopened in the event 2012 PA 349 is repealed.

#### 7. DISCRIMINATION

There shall be no discrimination, coercion, interference or restraint by the County or the GELC against any employee because of membership or non-membership in the GELC; nor will the County or the GELC discriminate against any employee who chooses to pay, or not pay, dues/fees to the GELC. It is mutually agreed that there shall be no discrimination because of race, religion, color, sex, age, disability, national origin, height, weight, or marital status. The County also agrees to provide an environment that is free of unlawful harassment of any kind, including that which is sexual, age-related, or ethnic.

This section shall be reopened in the event 2012 PA 349 is repealed.

#### 8. CHECK-OFF

The County agrees to deduct from the salary of each individual employee in the bargaining unit who voluntarily becomes a member or who voluntarily authorizes the payment of representations fees, subject to all of the following conditions:

(1) The GELC shall obtain from each employee who voluntarily agrees to become members or pay a representation fee a completed Check-Off Authorization Form which shall conform to the respective State and Federal law(s) concerning that subject.

(2) All Check-Off Authorization Forms shall be filed with the County, who may return an incomplete or incorrectly completed form to the GELC's Treasurer and no check-off shall be made until such deficiency is corrected. Deduction shall be made commencing with the first full pay-period in the month immediately after the completed authorization form is received by the County.

(3) The County shall check-off obligations which come due after the effective date of check-off, and will make check-off deduction only if the Employee has enough pay due to cover such obligation. If an employee withdraws his/her check-off authorization form, in writing to the County and the GELC, no deduction shall be made commencing with the first full pay-period more than thirty (30) days after the withdrawal authorization is received by the County. The County is not responsible for refund to the employee if he/she has duplicated a check-off deduction by direct payment to the GELC.

(4) The County 's remittance shall be deemed correct if the GELC does not give written notice to the County within two (2) calendar weeks after a remittance is transmitted, of its belief, with reason(s) stated therefore, that the remittance is incorrect.

(5) The GELC shall provide at least thirty (30) days' written notice to the County of the amount of GELC dues be deducted from the wages of employees in accordance with this Article. Any changes in the amounts determined will also be provided to the County at least thirty (30) days prior to its implementation.

(6) The GELC Checkoff Form for new hires shall substantively conform to the following:

#### CHECK-OFF AUTHORIZATION FORM

I, \_\_\_\_\_, hereby request and authorize the County of Gratiot to deduct from my wages hereafter earned by me, while in the County's employ, my:

- GELC Union dues of \$\_\_\_\_\_ per month; or
- GELC representation fee of \$\_\_\_\_\_ per month.

The amount deducted shall be paid to the Treasurer of the GELC, according to the Agreement reached between the County and the GELC. I recognize that by executing this Authorization form, I will be bound to the GELC Security and Check-Off unless and until I provide the GELC and County with written notice of the withdrawal of this Authorization Form. Such a withdrawal shall be effective the first full pay period more than thirty (30) days after the County receives the written withdrawal.

(7) The GELC agrees to defend, indemnify and save the County harmless against any and all claims, lawsuits or other forms of liability arising out of its deduction from an employee's pay of GELC dues, or in reliance on any list, notice, certification, or authorization furnished under this Article. The GELC assumes full responsibility for the disposition of the deductions so made, once they have been sent to the GELC.

This section shall be reopened in the event 2012 PA 349 is repealed.

#### 9. MANAGEMENT RIGHTS

The County retains the sole and exclusive responsibility for the management of the County business and the direction of the work force, and complete authority to exercise those rights and powers incidental thereto including the right to make unilateral changes, except as specifically modified by this Agreement, including by the way of general example and

not by limitation, exclusive authority to determine the nature and location of operations. Management reserves the right to require employees to observe departmental rules and regulations, to decide the services to be provided to the public, work standards and the procedures by which such work is to be performed. Management retains the sole right to hire, discipline, discharge, layoff, recall, assign, promote and transfer employees; and to determine the starting and quitting time and number of hours to be worked, subject only to the restrictions and regulations governing the exercise of these rights as are expressly provided in this contract.

The County retains the right, based upon economic and/or program needs, to subcontract or relocate work performed by unit employees. The County also retains the right to use volunteers who receive no compensation from the County to perform work, or assist in work, performed by unit members; but, the use of volunteers shall not result in layoff of unit members nor shall they do the work of laid-off employees.

The foregoing enumeration of the rights of the County is not intended to exclude other management rights not specifically enumerated. The only limits of any management right shall be express limitation by a specific provision of this Agreement.

The foregoing enumeration of rights of the County is not intended and nor shall it be construed as a waiver of any contractual or legal right of the GELC with regard to its representation of the bargaining unit or its members.

Only the Board of Commissioners shall specifically retain the right to establish new departments and employees assigned to such departments shall be paid in accordance with the provisions of the section of wages of this Agreement.

The County may implement rules and requirements relating to reasonable suspicion drug testing and requiring employees in safety sensitive positions to disclose prescription drugs where there is a reasonable suspicion that said drug may be affecting the employee's performance of the essential functions of the employee's position. The Parties agree that if an employee who has not engaged in attendant workplace misconduct voluntarily self-reports a drug or alcohol problem prior to a request for a drug test, the employee will be permitted to seek treatment.

All employees shall fully disclose to their supervisor any criminal felony or work related misdemeanor convictions. Any employees that work directly with minors or who will have access to minor's records that are convicted of a felony or misdemeanor, including expressly any law relating to drugs or other controlled substances, or are charged with a felony, or are placed on the CPS Central Registry as a perpetrator, shall notify in writing their supervisor immediately, and in all cases, no later than five (5) days after such conviction, charge, or placement on the CPS Central Registry. An employee must disclose to the Employer any conviction resulting from such pending charges as described in this Section. However, as required by Federal regulation, employees working with minors must disclose any arrests or charges related to child sexual abuse, child abuse, or child neglect and the disposition of such arrest or charges, and may also be required to certify that no case of child abuse or neglect has been substantiated against them. In every case,

employees in positions that work directly with minors or who will have access to minor's records, shall undergo the background checks, and, if they have not resided or lived in Michigan for each of the previous ten (10) years, they must also sign a waiver attesting to the fact that they have not been convicted of a felony or identified as a perpetrator. The Employer may, at its cost, conduct a criminal history search periodically on all employees when required to insure compliance with grants, licensing requirements, and performance standards.

## 10. GRIEVANCE PROCEDURE

Grievance Procedure - A grievance is a dispute, a claim, or a complaint by employee or GELC concerning the application and interpretation of this Agreement. An employee who believes he/she has a grievance is encouraged to informally discuss his/her complaint with his/her immediate supervisor. In the event the complaint is not satisfactorily settled at this point, it may be filed as a grievance and the following procedure shall become effective. All Grievances shall be handled in the following manner:

### Step 1.

An employee and/or his/her GELC Representative who believes that he/she has a grievance and wishes to enter it into the grievance procedure, may do so by submitting the written grievance to his/her Elected Official or Department Head within ten (10) working days following the events which caused the grievance or within ten (10) working days following the date the employee first reasonably should have known of the events giving rise to the grievance. Within five (5) working days after receiving the written grievance from the employee, the Elected Official or Department Head shall give his/her written response to the grievance to the grievant and the GELC with a copy to the Union Steward. The Elected Official or department head does not have the authority to provide to any employee economic benefits which exceed those provided under this contract.

### Step 2.

If the answer is not satisfactory to the grievant, the grievance and the answer shall be presented in writing by the grievant to the County Administrator within seven (7) working days of receipt of the Elected Official's or Department Head's answer or the date due in Step 1. The County Administrator shall sign and date the grievant copy. The County Administrator shall respond to the grievant in writing within seven (7) working days after receipt of the grievance.

### Step 3.

If the Union is not satisfied with the answer of the County Administrator, it may appeal to the County Board of Commissioners within seven (7) working days after the receipt of the County Administrator's answer or its date due. The appeal shall be filed in writing with the County Administrator, with a copy also filed with the Elected Official or Department Head. A meeting shall then be held within thirty (30) calendar days of the appeal between the County Board of Commissioners (or the Board's designated representatives), the Elected

Official or Department Head, the County Administrator, the employee, and up to three (3) representatives of the Union. The Employer and the Union may also have outside representatives present if desired. Such outside representation shall be limited to the Union's attorney and/or Business Representative, and the County's attorney. The County Board of Commissioners shall then answer the grievance in writing within fifteen (15) work days of the appeal meeting.

## 10.1 ARBITRATION

### Step 4. Arbitration - Selection of Arbitrator.

If the grievance is not satisfactorily resolved in Step 3, the GELC will notify the County within ten (10) working days of the County's written answer if the matter is to be referred to Arbitration. No employee may invoke the arbitration step of this procedure without the consent of the GELC.

The GELC and the County shall attempt resolution of the matter and/or shall attempt to select an arbitrator by mutual agreement. The GELC may request an arbitration panel from the Federal Mediation and Conciliation Service. The parties will follow the rules of the FMCS in the selection of the arbitrator.

The labor Arbitration Procedures of the Federal Mediation and Conciliation Service shall apply to Step 4 of the grievances.

The arbitrator shall schedule a prompt hearing and shall have the power to make determination of facts on the questions submitted and apply them to the provisions of this Agreement alleged to have been violated so long as the grievance is submitted in accordance with the provisions, limitations, and procedures specified in this Agreement.

The arbitrator shall not have the jurisdiction or authority to add to, subtract from, nullify, or modify any of the terms of this Agreement.

The arbitrator shall be bound by the facts and evidence submitted and may not go beyond the terms of this Agreement in rendering a decision nor include or deal with any issues or matters which is not made subject to the terms of the Agreement. Any case appealed to the arbitrator on which the arbitrator has no power to rule shall be referred back to the parties without decision. The decision of the arbitrator shall be in writing and shall be final and binding upon the parties when rendered upon a matter within the authority of the arbitrator.

Further, no claim for back wages under this Agreement shall exceed the amount of straight time earnings the employee would have otherwise earned by working for the County, less any and all compensation, including unemployment compensation, the employee received from any other source.

Unless it is mutually agreed to otherwise, each grievance shall be handled as a separate hearing, except that grievances arising out of identical sets of facts or the same incidents may be heard together.

The cost and expenses of the arbitrator as a result of the arbitration hearing shall be borne equally by the parties. All other expenses incurred by either party shall be paid by the party incurring such expenses.

#### 10.2 TIME LIMITS

Time limits may be extended by mutual agreement between the parties. Any time limits set forth which are not maintained by the GELC shall result in the settlement of the grievance on the basis of the County's last answer. Any time limits set forth which are not maintained by the County shall move the grievance to the next step of the grievance procedure, except arbitration.

For the purpose of computing time limits set forth in the steps of the grievance procedure, the term ("working day") shall not include the weekend or any paid holidays.

#### 10.3 GRIEVANCE TIME

The County shall grant necessary and reasonable time off with pay for representatives to be present and participate in the adjustment of grievances.

#### 10.4 DISCIPLINE AND DISCHARGE

The County shall have the right to discipline, up to and including discharge, any employee for just cause. The County shall give written notice, to the GELC, of the complaint against the employee and the action taken by the employer. The employee shall be required to provide written acknowledgment of all discipline by signing the notice of discipline form. Such acknowledgment shall not signify approval or disapproval of the action taken. During the probationary period, the employee may be terminated without recourse to or without regard to this Agreement, and shall not be entitled to the benefits of the grievance procedure as it relates to discipline and/or discharge. The probationary employee can be terminated for any reason or for no reason.

#### 10.5 ELECTION OF REMEDIES

When remedies are available for any complaint and/or grievance of an employee through any administrative or statutory scheme or procedure in addition to the grievance procedure provided under this Agreement, and the employee elects to utilize the statutory or administrative remedy, the Union and the affected employee shall not process the complaint through the grievance procedure provided for this Agreement. This provision shall not apply to claims or actions under Title VII of the Civil Rights Act of 1964, as amended, the Americans with Disabilities Act (ADA), or the Age Discrimination in Employment Act of 1967 (ADEA), or the extent it is otherwise prohibited by law.

## 11. WORKDAY

An employee hired to render continuous, classified service for the County of at least 40.0 hours per week or 2,080 hours annually, shall be classified as a full-time employee. Any definition of an employee's normal workweek and workday stated in this Agreement shall not constitute a guarantee by the County of any number of hours per workday or per workweek. The County specifically reserves the right to reduce the normal workweek or workday for any or all employees whenever conditions require such a change. If furlough days become necessary during the term of this Agreement, the County will provide written notice to the GELC Unit President regarding the number of furlough days to be employed and the anticipated savings projected to be realized from such furlough. The County will, upon request, meet with the GELC to discuss the manner of scheduling/distribution of such furlough days. Further, the GELC may suggest cost savings alternatives to such furlough.

### 12.2 REGULAR PART-TIME EMPLOYEE

An employee rendering continuous classified service to the County, who is budgeted to work an average of 20 hours or more, but less than 40 hours per week, shall be classified as a regular part-time employee, and shall be eligible for paid time off, holiday, funeral, hospitalization and life insurance on a prorated basis, based on the part-time employee's normal work week. #### 12.4 SUBSTITUTE EMPLOYEES

#### 15. PROBATIONARY PERIOD

Employees hired into the bargaining unit shall be considered as probationary employees for the first one thousand forty (1040) hours of their continuous employment, during which time the Employer retains the sole right to terminate such employees with or without cause and with or without notice, without any recourse to the grievance procedure. After an employee has completed a probationary period of one thousand forty (1040) hours of their continuous employment, he/she shall obtain seniority from the first day of employment following his/her last date of hire.

#### 16. SENIORITY

16.1. Seniority shall mean the length of continuous uninterrupted service of such employee since his/her last date of hire and shall be measured in compensated hours. The application of seniority shall be limited to the preferences specifically recited

in this Agreement. If there are seniority ties, employees shall be placed on the seniority list as determined by adding up all of the numbers of the employee's social security number, the highest having the greatest seniority, with each number shall be considered as a single number.

#### 16.2 COUNTY SENIORITY

County seniority shall refer to the employee's length of continuous service with Gratiot County and the Gratiot County Courts since the employee's most recent date of hire into a County position. County seniority shall be used for determining annual leave accrual, longevity and pension credits.

#### 17. ANNIVERSARY DATE

The "Anniversary Date" will be the same as the "Date of Hire." The "Anniversary Date" is the date used to determine when an employee will become eligible to seek a salary step increase and an increase in the rate of accrual of Paid Time Off (PTO).

The PTO program is an inclusive time off program intended for use in connection with vacations, illnesses, personal business, family care, and other needs which may require time off from work.

### 19.7.2 ELIGIBILITY

Regular full time unit members are eligible for PTO. Regular part-time unit members are eligible for PTO but the accrual of such PTO is governed by Article 12.2.

### 19.7.3 ACCRUAL OF PTO

PTO for regular full time unit members will accrue at the rate of two (2) days per month. Additional PTO days will be awarded on the first pay day following members' employment anniversary date and will accrue according to the following schedule:

Year From Date of Hire	# of Additional Days Per Year
6 through 10	2

### 19.7.5 PTO SCHEDULING

To the extent possible, PTO is to be requested and approved by the Elected Official or Department Head in advance. In the event of illness or emergency preventing the staff member from requesting PTO in advance, the unit member must notify the Elected Official or Department Head no later than the start of the shift and obtain approval for

unscheduled time off. Except for reserved time set forth in the FMLA provisions of this Agreement, unit members carrying PTO balances may not opt to take excused absences/leave without pay in lieu of PTO for purposes of saving accrued PTO time.

If a PTO is requested and approved for an illness or injury, the respective Elected Official or Department Head may require each employee requesting or returning from more than three (3) days absence to file with said Elected Official or Department Head the following: a physician's statement of the condition of the employee relative to ability to perform the duties of his/her position, diagnosis and other relevant information pertaining to the employee's condition. The Human Resources Department will properly notify the respective Elected Official or Department Head and the employee when an employee's accrued PTO has been depleted and it shall be the obligation of the employee to request a leave of absence if one is desired. Failure to request such leave after proper notification may result in termination of employment. Requests by the County for medical information or medical examinations shall be limited to the extent permitted by law.

#### 19.7.6 TRANSFER OF PTO

Upon written authorization by the executive board of the GELC to the Human Resources Department, members of the unit may voluntarily transfer PTO time to another unit member. Said transfer shall only take place if both of the following criteria are met:

- A. The member receiving the donated PTO time has one of the following situations:
  - When an exposure to a contagious disease would endanger the health of others by attendance of work. A physician's statement recommending absence from work shall be required.
  - An employee's illness or injury. A physician's statement recommending absence from work shall be required.
  - Sick leave may be used for doctor and dentist appointments, as well as illness in the employee's immediate family. Documentation may be required.
- B. The unit member receiving the donated time has exhausted all of their accumulated, unused paid time off.

Said written authorization must have the signatures of the employee(s) agreeing to transfer the PTO hours and the specific number of hours they are willing to transfer. PTO hours transferred to one employee during a rolling two year period shall not exceed 160 hours. Both parties agree that this transfer program is solely managed by the unit, and that the only activity of the Human Resources Department is to perform the transfers as directed by the unit.

## 19.8 FAMILY AND MEDICAL LEAVE

An employee who has worked at least 1,250 hours in the preceding twelve (12) month period is eligible for a leave of absence pursuant to the Family and Medical Leave Act of 1993 (FMLA). Such leave shall be granted (1) to care for a newborn son or daughter; (2) because of the placement of a son or daughter with the employee for adoption or foster care; (3) in order to care for the spouse, son, daughter or parent of an employee who has a serious health condition; or (4) because of a serious health condition that makes the employee unable to perform the functions of his or her job. Any eligible employee will be granted up to twelve (12) unpaid workweeks of leave during a rolling twelve (12) month period for leaves granted under FMLA.

For any FMLA qualifying purpose, accrued paid time off must be used until exhausted. However, if a qualified employee is placed on a FMLA leave for purposes of a serious health condition related to maternity, or to care for a newborn son or daughter, the employee shall have the option of reserving up to ten days of paid time off for use after they return to work from FMLA Leave. However, the ten (10) reserved days shall not be deemed to nor used to extend the duration nor statutory limits of a FMLA leave. No paid time off will be reserved by the Employer unless the employee provides written notice of

the reservation to the County Administrator not later than the first day of FMLA leave. When an employee has used accrued paid time off for a portion of the FMLA leave, the employee may have an additional period of time off so the total of paid and unpaid leave does not exceed twelve (12) weeks. Any request for time off for a reason qualifying as FMLA shall be applicable to time off requested under this Agreement except as otherwise specifically set forth in this Agreement.

### 19.8.1 SERVICE MEMBER FMLA LEAVE

The federal Family and Medical Leave Act (FMLA) now entitles eligible employees to take leave for a covered family member's service in the Armed Forces ("Service member FMLA"). This policy supplements the County FMLA policy and provides general notice of employee rights to such leave. Except as mentioned below, an employee's rights and obligations to Service member FMLA Leave are governed by our existing FMLA policy.

- A. Employee Entitlement to Service member FMLA  
Service member FMLA provides eligible employees unpaid leave for any one, or for a combination, of the following reasons:
1. A "qualifying exigency" arising out of a covered family member's active duty or call to active duty in the Armed Forces in support of a contingency plan; and/or
  2. To care for a covered family member who has incurred an injury

or illness in the line of duty while on active duty in the Armed Forces provided that such injury or illness may render the family member medically unfit to perform duties of the member's office, grade, rank or rating.

3. Duration of Service member FMLA  
When Leave Is Due to A "Qualifying Exigency": An eligible employee may take up to 12 workweeks of leave during any 12-month period.  
When Leave Is to Care for an Injured or Ill Service Member: An eligible employee may take up to 26 workweeks of leave during a single 12-month period to care for the service member. Leave to care for an injured or ill service member, when combined with other FMLA- qualifying leave, may not exceed 26 weeks in a single 12-month period.
4. Service member FMLA runs concurrent with other leave entitlements provided under federal, state and local law.

## 20. NO STRIKE/NO LOCKOUT

The grievance procedure set forth herein provides a remedy for the settlement of grievances arising under this Agreement. Therefore, no employee or employees shall take part in or cause or attempt to cause any strike against the County, stoppage of work, or

other similar action which could jeopardize the treatment and welfare of the public during the term of the Agreement. Any employee who engages in any of such prohibited conduct shall be subject to discipline up to and including discharge and such discipline shall not be subject to the grievance or arbitration procedures. Neither party gives up any other rights that they may have by law.

The GELC agrees that neither they nor any of their representatives or members shall authorize, participate in, or lend support to any of the conduct which is prohibited by this Agreement and agree that they will use their best efforts to prevent any of the conduct which is prohibited by this Agreement.

The County agrees that it will not lockout the employees of the GELC during the term of this Agreement.

The second notice of recall shall be sent two (2) weeks after the date of return of the first notice of recall, if the first notice of recall is not received by the recalled employee. It shall be the obligation of the employee to provide the County with a current address and telephone number.
  
  - 2. A recalled employee shall respond to the recall within five (5) consecutive work days or shall return within seven (7) calendar days from the date of actual notice of recall, unless good cause for failing to do so is shown by notifying the County Administrator in writing within fourteen (14) calendar days from date of actual notice of recall.
